Intro: G G/F G/C G/A (2x)

Verse 1:

G G/A G/C G/A
Sitting silently so no hears about the
G G/A G/C G/A
Battle ripping from the inside out
Wishing time would pass so she could leave the prison
That has her motionless right now

Verse 2:

Day by day she struggles just to find the beauty
That exists beneath her skin
One more failed attempt to find her own way out of
The hole she is in

Pre-Chorus:

 C D
Can you hear me? Can you hear me?

Chorus:

G F C/E Am
You can never run so far that I can't see you
You can never hide enough to not be found
You can never fight so much that I can't hold you
 Eb F G G/F G/C G/A
Just know that no matter where you are, you are not alone

Verse 3:

One more door has shut and one more hope is gone and
She does not know where to go
Her eyes raise and her tears fall, she has lost it all
She is all alone.

<Pre-Chorus>

<Chorus>

<Instrumental (C D (4X))>

<Chorus>
