September 23, 2003

## Verse 1:

Am F C G  
(Lord, I) know it's Your will and I cling to it still no matter what the darkness might say.  
Am F C G  
(I know) You'll see me through like You always do, but it's hard to see the Truth today.  
Am F C G  
(Your) wisdom reveals all of me that I steal from Your righteousness each day.  
Am F C G  
(Lord, I) pray that I see You, I know that I need You especially today.

## Bridge:

C/E F C/E F  
(I can) see You revealing Your Truth to me.  
C/E F Gsus G  
(I'm) feeling Your healing setting me free!

## Chorus:

Am F C G  
(Now I) know the right thing to do (is to)  
(Just) let go, and You will see me through. (Take con)trol; make me new.  
(Take my) soul; I surrender it to You.

## Verse 2:

Am F C G  
(Through) faith I believe and I long to receive Your comfort in me.  
Am F C G  
(I) feel that it's there but I don't even care – my heart's eyes are closed, and I can't see.  
Am F C G  
(You) brought me this pain so I'd trust in Your Name, that You would make me clean.  
Am F C G  
(I) feel You right now; You are in me right now and I humbly bow down; You're what I need.

<Bridge>

<Chorus>

Take my soul; Now I know; Take my soul.
